

BHARTIYA SKILL DEVELOPMENT UNIVERSITY
EV Training Report

School of Automotive Skills has successfully organized an EV Basic Training for its students and staff members under the activity of "Workshop on EV Basics by Mr. Ashutosh Ji" on 03rd September 2022 at Seminar Hall, 2nd Floor, BSDU New Campus from 2:00 PM to 6:00 PM.

The event was attended by all the staff members and students of School of Automotive Skills BSDU. The event started with an Introduction of Mr. Ashutosh Ji, CSM, TATA MOTORS who was the Industry Expert in EV Domain for TATA MOTORS.

Mr. Ashutosh Ji gave a brief knowledge about the key differences between an ICE & an EV, further he stressed on the idea of skill development for the Youth of India in the EV Domain. Along with the basic knowledge he has also focused more over the specification of EV Drivetrain, Battery Technology, Charging Technology, Level of charging, HV Safety factors for an EV, Regenerative Technology, General Service aspects, PPE's used while servicing & testing on EV, EV Components Identification and their working, etc. He has also delivered hands on experience on the TATA Nexon EV by defining the EV Structure on the vehicle & their components.

The session was fruitful & also full of facts & figures, Mr. Ashutosh Ji also appraised the vision of BSDU in Youth Upskilling to be industry ready and was stunned after his visit to the State-of-the Art Automotive Workshop in New Campus BSDU.
