

BHARTIYA SKILL DEVELOPMENT UNIVERSITY
INDUSTRIAL VISIT REPORT

School of Manufacturing Skills, Bhartiya Skill Development University, Jaipur organized an Industrial Visit to the I Semester Students to RS India, Jaipur on 15.09.2022 at 10:30 AM.

Industrial Visits are an important part of the academic industry connect wherein the students get practical exposure about the things taught in the class.

The main objectives of this Industrial Visit to RS India was:

- a. To provide industrial exposure to the new batch of students.
- b. To make the students aware about workplace safety mechanisms followed in the Industries.

Ms. Priya Singh, Huma Resource Manager, RS India gave a brief insight about the company safety mechanisms adopted by the RS India. Further, she took all the students for a plant visit inside the company.

Mr. Munendra Koli and Mr. Mukesh Khakhal, Trainers accompanied with the students and were instrumental in making this a successful activity.

The Students were very happy with the visit and thanked the Principal, Staff and Management for organizing this event.
